

SINGLE SERVE BREWING CUPS

BENEFITS OF SINGLE SERVE BREWING CUPS

- Patented cup design maximizes puncturability in the brewer (US Pat. No. D715,649)
- Launch your brand into the market with a commercially proven cup design
- Leverage existing brewing systems to bring product extensions to market

PRINTPACK'S SINGLE SERVE BREWING CUPS

- Enhance product protection with Printpack's expertise in materials science and cutting edge barrier solutions
- Minimize risk with Printpack's connections in the market with co-packers, filling equipment, lidding, and filter paper suppliers
- Shorten new product launch timelines with Printpack's stock cup program
- Choose between multilayer polystyrene-based or polypropylene-based structures

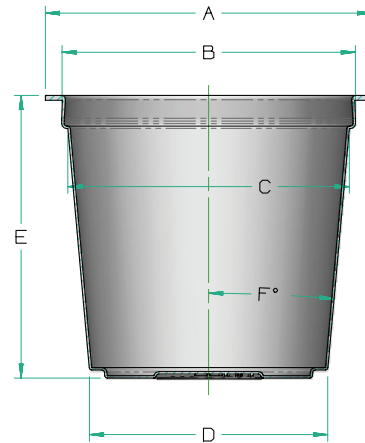

STOCK CUP PROGRAM

- Barrier white polystyrene
- Barrier black polystyrene
- Barrier white polypropylene

Sample quantities available upon request. Low minimum order quantities.

Printpack develops innovative packaging solutions that deliver a distinct advantage at the shelf, strengthen brand identity in the minds of consumers and help brand owners optimize speed-to-market strategies. Packaging innovation plays a critical role in influencing the way consumers value, choose, and use products.
