

BENEFITS

- Maintains package integrity and seal strength when shipping at high altitudes
- Provides necessary moisture and oxygen barrier
- Performs with no compromise to line speed efficiency
- Offers a more sustainable package due to a 25% decrease in raw materials compared to the traditional 5-layer lamination

FEATURES

- A proprietary, high altitude, hermetic sealant film

HOW CAN PRINTPACK'S OTM® FILM BENEFIT YOUR BUSINESS?

- Expand your regional product into a nationwide brand
- Increase sales through your ability to reach a wider distribution area
- Improve profits by reducing product loss due to burst packages
- Gain peace of mind with no disruption to packaging room productivity
- Add points to your sustainability scorecard due to raw material reduction

Printpack's OTM™ film is designed to withstand the effects of burst from high altitude shipping.

INNOVATIVE PACKAGING SOLUTIONS FROM PRINTPACK

Printpack develops innovative packaging solutions that deliver a distinct advantage at the shelf, strengthen brand identity in the minds of consumers and help brand owners optimize speed-to-market strategies. Packaging innovation plays a critical role in influencing the way consumers value, choose, and use products.
