## STRUCTURE

## PRODUCT DESCRIPTION

The Preserve™ PE Recyclable Polyethylene Pet Food Bag sets the bar for durability, product protection, and sustainability while maintaining the benefits of current flexible packaging including ease of transport, product to package weight ratio, and reduction of carbon footprint. When it comes to feeding the four-legged members of our family, we know you want the best pet food packaging out there to maximize freshness, flavor, and nutrition. With over 18,000 Store Drop-Off Recycle locations available for recyclable polyethylene packaging, it is easier than ever to offer recyclable polyethylene packaging to consumers.

## PACKAGING FORMATS

- Pre-made pouches and bags
- VFFS flexible packaging
